IT-KNOWLEDGE

- **Programming Languages**

- C (+ GLib, GObject, Gtk+) II
- Vala II
- Java B - II
- HTML B - II
- JavaScript B - II
- GJS (GNOME JavaScript) II
- ~~TEX~~ & bibTEX B - II

- **Operating Systems**

- GNU/Linux II
- Android B

- Windows B

- *Nix B - II

- **IT-Tools**

- Eclipse B - II
- Meson Build System B - II
- GNU Make B - II
- Bazaar (Distributed Version Control System) II
- Google Docs II
- LibreOffice II
- GIMP II
- Inkscape II

Explanation: B : Beginner, II : Intermediate, S : Senior, O : Ongoing Course

EDUCATION

2017-02 - 2017-09	Lexicon Väst Course in Java SE and Java EE with focus on web programming
2011 - 2014	University of Skövde Computer Science (No Bachelor).
2005 - 2008	Strömstad Gymnasium Electricians program with focus on Computers and such: Programming, Web design, Networks, etc.

WORKING LIFE

Hobbex 2019 - 2020	Customer service and Workshop The work consisted of answering e-mail, working out customer requests and fixing things sent in to Hobbex for repair, and ordering things from or sending things to manufacturers.
HC Telecom 2016-06 - 2016-08	Worked as Fiber-optics welder The work consisted of - among other thing - going home to costumers and installing fiber-optical equipment for telecommunications. Reference letter can be provided (in Swedish)
Strömstad Gymnasium ¹ 2016-01 - 2016-06	Practised as a Teacher Assistant in IT The work involved, among other things, helping the teacher with lectures and reading pupils thesis'.

Other employments are not relevant.

PERSONAL TRAITS

The personal traits that I want to present are that I can be quite stubborn at times, and humble in others, methodical, soft (literally), punctual, realistic, "unique," and open.

OTHER MERITS

- **CCNA Certificate**, I rely do not have any interest in network administration.
- **Teaching**, during the spring semester 2016 I had an internship at Strömstad Gymnasium (Upper secondary high school) during which I helped out with teaching programming, web design, but also gave the pupils some fundamentals in how they should think as programmers.

LANGUAGE SKILLS

English	Is like my second language, it is a language that I feel at home in both in text and speech.
Swedish	Mother tongue.

INTERESTS

My interests are mostly in the realm of technology in general, but especially when it comes to Free/Open Software (not to be confused with Freeware).

During my free time I do, amongst other things, voice acting, and I have a YouTube channel², where I read some stories and texts I find on the internet.
